(Legislative day of Tuesday, January 5, 1993)

The Senate met at 12 noon, on the expiration of the recess, and was called to order by the Honorable BOB GRAHAM, a Senator from the State of Florida.

PRAYER

The Reverend Richard C. Halverson, Jr., Falls Church, VA, offered the following prayer:

Let us pray together.

Our Heavenly Father, Your Word teaches that we are to "speak the truth in love." (Ephesians 4:15)

We thank You, Lord, that You have commanded truth and love to work together. And we are grateful that we need not fear compromising the truth when we love those with whom we disagree or even those whom we might consider to be enemies of the truth. We thank You, Lord, that in Your wisdom love only creates the best environment for truth to do its greatest work.

We pray, Lord, that You will continue to pour out Your unconditional good will upon all who work in the Senate, regardless of how they may differ with You or the truth. And we ask that when their relationships are tested and strained, they may be mysteriously held together in the firm embrace of Your grace and mercy.

We make this request of our Father in Heaven who so loved the world that He gave His only begotten Son. Amen.

The ACTING PRESIDENT pro tempore. The Journal has been approved.

SCHEDULE

Mr. MITCHELL. Mr. President and Members of the Senate, there will be no rollcall votes today. Senate committees are meeting in hearings to consider nominees by the President-elect, and I am grateful to the Senate chairmen and the ranking Republican Members for their cooperation in organizing these hearings in the period between the swearing in of the new Senate and the inauguration of the next President.

It is my hope that if the committees see fit to report nominees promptly, we will be able to confirm as many of those nominees as soon after the inauguration as is appropriate and possible.

It is also my hope that we will today complete action in the Senate on the committee assignments of the various Senators. We have completed action on the Democratic side, and we are awaiting final action by our Republican colleagues, which I am advised should be shortly. Therefore, it is my intention momentarily to place the Senate in recess until such time as our colleagues are ready to proceed to obtain Senate approval of all of the A committee assignments for all Senators.

Mr. MITCHELL. Mr. President, I move to reconsider the vote by which the resolutions were agreed to and move to lay the motion on the table.

The motion to lay on the table was agreed to.

Mr. MITCHELL. Mr. President, and Members of the Senate, the resolutions just adopted deal with the appointment of Democratic Senators to the so-called A committees, and to the appointment of chairmen of those committees.

The Republican leader has authorized me to state that he has no objection to

our proceeding to deal with these resolutions at this time. We had hoped, as I indicated earlier in the day, to do the resolutions for all Senators at the same time. Our Republican colleagues are continuing to work on making their assignments and are not ready to proceed at this time and so we have gone ahead with the assignments of Democratic Senators and we expect to hear from our colleagues and complete action on all Senators' assignments shortly.

Accordingly, there being no further business to come before the Senate at this time, I am going to momentarily put the Senate in recess pending word from Senator DOLE that they will be prepared to proceed with the remainder of the committee assignments.

RECESS SUBJECT TO THE CALL OF THE CHAIR

Mr. MITCHELL. Mr. President, I therefore ask unanimous consent the Senate now stand in recess subject to the call of the Chair.

There being no objection, at 3:18 p.m., the Senate recessed subject to the call of the Chair.

Whereupon, the Senate reassembled at 8:06 p.m., when called to order by the Presiding Officer [Mr. MITCHELL].

The PRESIDING OFFICER. The Chair recognizes the Senator from Montana.

CONSIDERATION OF CERTAIN RESOLUTIONS

Mr. BURNS. Mr. President, I send two resolutions to the desk and ask for their immediate consideration en bloc.

TRANSITION SALARIES

Mr. DOLE. Mr. President, I send a resolution to the desk and ask for its immediate consideration.

The PRESIDING OFFICER. The clerk will report.

The legislative clerk read as follows:

A resolution (S. Res. 9) to amend S. Res. 458 of the 98th Congress.

Mr. FORD. Mr. President, for many years the Senate has by standing order provided Senate employees with appropriate transition salary continuation in the event of the death or resignation of a Senator or Senate leader, or in the case of termination of service of appointed Senators. The resolution merely provides similar treatment for Senate committee staff, which until now, as an oversight, has not been included in this permanent standing order.

The Senate has provided for such treatment of committee staff by separate resolutions which periodically expire. This resolution amends the standing order to provide committee staff with an efficient permanent remedy consistent with the existing standing order.

The PRESIDING OFFICER. The question is on agreeing to the resolution.

The resolution (S. Res. 9) was agreed to as follows:

S. RES. 9

Resolved, That Senate Resolution 458 of the Ninety-eighth Congress (agreed to October 4,

1984) is amended by adding the following new section:

"SEC. 6. (a) For purposes of this section:

"(1) The term committee means a standing, select or special committee, or commission of the Senate, or a joint committee of the Congress whose funds are disbursed by the Secretary of the Senate.

"(2) The terms Chairman and Ranking Minority Member means the Chairman, Vice Chairman, Co-Chairman and Ranking Minority Member of a committee.

"(3) The term eligible staff member means an individual who was an employee of a committee, or subcommittee thereof, for at least one hundred and eighty-three days (whether or not service was continuous) prior to the termination of employment as described in paragraph (4), and whose pay is disbursed by the Secretary of the Senate.

"(4) The term displaced staff member means an eligible staff member whose service as an employee of the Senate is terminated solely and directly as a result of a change of the individual occupying the position of Chairman or Ranking minority member of a committee and who is certified as a displaced staff member by the Chairman and Ranking Minority Member of the Committee to the Secretary of the Senate. Such certification shall be made no later than 60 days from the date of such change.

"(b) The Secretary of the Senate shall notify the Committee on Rules and Administration of the name of each displaced staff member.

"(c)(1) Under regulations prescribed by the Committee on Rules and Administration each displaced staff member shall, upon application to the Secretary of the Senate and approval by the Committee on Rules and Administration, continue to be paid at their respective salaries for a period not to exceed 60 days following the staff member's date of termination or until the staff member becomes otherwise gainfully employed, whichever is earlier.

"(2) A statement in writing by any such employee that he was not gainfully employed during such period or the portion thereof for which payment is claimed shall be accepted as prima facie evidence that he was not so employed.

"(d) Funds necessary to carry out the provisions of this section shall be available as set forth in section 1(d)."

SUBMISSION OF FINAL REPORT

Mr. DOLE. Mr. President, I send a resolution to the desk and ask for its immediate consideration.

The PRESIDING OFFICER. The clerk will report.

The legislative clerk read as follows:

A resolution (S. Res. 10) to authorize the Select Committee on POW/MIA Affairs to submit its final report to the Senate prior to January 13, 1993.

The PRESIDING OFFICER. The question is on agreeing to the resolution.

The resolution (S. Res. 10) was agreed to as follows:

S. RES. 10

SECTION 1. EXTENDED REPORTING TIME.

Notwithstanding the provisions of Senate Resolution 282, agreed to August 2, 1991 (102d Congress, 1st Session), and Senate Resolution 185, agreed to October 16, 1991 (102d Congress, 1st Session), the Select Committee on

POW/MIA Affairs is authorized to make expenditures from the appropriations account for Miscellaneous Items in the contingent fund of the Senate, upon vouchers approved by the Secretary of the Senate, for expenses incurred during the period from January 3, 1993, through January 13, 1993, in connection with the preparation and submission, prior to January 13, 1993, of its final report to the Senate, including printing and filing.

SEC. 2. EFFECTIVE DATE.

This resolution is effective January 2, 1993.

Mr. DOLE. Mr. President, I thank the majority leader and members of the staff for accommodating the minority. We have finished the Committee on Committees' work for A committees. We will work on others after January 20.

I thank the distinguished majority leader and all Members, particularly the chairman of the Committee on Committees, Senator CONRAD BURNS, the Senator from Montana, and other Members on our side who served on that committee for their efforts.

TRIBUTE TO MAYOR JOE DAVIS

Mr. HEFLIN. Mr. President, the people of north Alabama were greatly saddened recently by the death of longtime Huntsville Mayor Joe W. Davis. During his 20 years as mayor of this fast-growing, high-technology city—widely known as "the Rocket City"—Joe was instrumental in recruiting many of its most prominent industries, making it one of the economic strongholds of the State. He won an award in 1975 as the top mayor in the United States. I personally knew him to be in the category of great civic leaders, one of the very best Alabama has ever seen.

Joe Davis was a former teacher and real estate businessman when he was elected to his first of five terms as Huntsville's mayor in 1968. He gave the city strong leadership when it most needed it in the 1970's, as NASA's Apollo Program came to an end. During this decade, Huntsville was able to bring in high-technology industries to give it some immunity from funding changes in the space program. In the post-Apollo era, the growing city saw its job base increase by 45,000.

Other accomplishments during Joe Davis' 20 years as mayor were a new library, Interstate 565, the Werner Von Braun Civic Center, funding of a \$72 million solid waste incineration plant, and the Huntsville Stars baseball stadium, which bears his name. He was the driving force behind the development of Research Park East and West, recruiting industry and seeing Huntsville's population grow from 100,000 to 160,000.

Mayor Davis' foresight in funding much-needed improvements in the sewer, water, and drainage systems paid off in later years when the indus-

trial base expanded. Most people who knew him remember his determination to set goals and then do what was necessary to achieve them. This ethic carried over to the city's relationship with the military. As retired Maj. Gen. Louis Rachmeler, commanding general at Redstone Arsenal from 1977-80, said, "Joe was the epitome of wanting a relationship between the military and the community."

The people of Huntsville and north Alabama, whose economy is so dependent upon the space and defense industries, can be thankful for the superb leadership exhibited by its outstanding former mayor, Joe Davis. He was a true individual with a firm set of convictions, strength of personality, and ability to work well with people in doing what was most beneficial to the long-term interests of the area. Most important of all, he prepared his city splendidly for the tremendous growth it is now experiencing. He will long be remembered as the symbol of all that a city should be about, and an example of the very best relationship between the government and the governed.

I extend my sincere condolences to all of Joe's family, and join his many hundreds of friends in saluting him for a job well done.

BUDGET BASELINES, HISTORICAL DATA, AND ALTERNATIVES FOR THE FUTURE: JANUARY 1993

Under the authority of the order of the Senate of January 5, 1993, the Secretary of the Senate, on January 6, 1993, during the recess of the Senate, received the following message from the President of the United States, together with accompanying report; which was referred jointly to the Committee on Appropriations and the Committee on the Budget:

To the Congress of the United States:

I am pleased to present the budgetary statement: *Budget Baseline, Historical Data, and Alternatives for the Future.*

The Budget Enforcement Act of 1990 (BEA) changed the date by which the President is required to transmit his budget from the first Monday after January 3rd to the first Monday in February. It also established January 21, 1993, as the date for the official presentation and determination of the BEA budget deficit adjustment. Accordingly, the full 1994 Budget must be submitted by the new Administration.

In order to provide a perspective from which to evaluate choices and actions, this document provides the following:

- a review of current policies and the implications of their extension into the future;
- near-term and long-term budget projections under alternative economic and technical assumptions;

- assessments of hidden liabilities with associated policy reforms, and assessments of high risk management areas with associated recommendations for systems improvement; and
- updated options and recommendations for spending control.

It is my hope that this will be useful to the Congress and the new Administration in the effort to produce both a responsible budget and strong economic growth.

GEORGE BUSH.
